REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The examiner respectfully asserts that none of the prior art, taken either singly or in combination, is seen to teach or suggest the particular structure of a set of bed sheets comprising lower and upper sheets connected together by first and second separable fasteners extending about respective first and second *continuous* edges thereof *in combination with* at least one accessory device connected to the upper sheet by additional third and fourth separable fasteners, as specifically recited in Applicant's independent claims 1 and 8. As shown by the prior art references, conventional bed sheet assemblies which include at least one accessory device generally comprise a much-simpler planar or fitted sheet that is either selectively or permanently attached to the at least one accessory device. Hence, it is considered that the application is currently in full and proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert G. Santos whose telephone number is (703) 308-7469. The examiner can normally be reached on Tu-Fr and first Mondays, 10:30 a.m. to 8:00 p.m..
